

Dear Thorp Families-

The Friends of Thorp Room Parent program is a great way to play a role in communications, in-class activities/projects, and ensure a connection between families, teachers, and the Thorp community. Room parents serve as:

- A liaison between the classroom and family:
 - Maintain contact roster for respective room(s).
 - Email relevant communications to families for Thorp events, organization activities, class initiatives, closures, etc.
 - This may include creating a space like a private Facebook page or Google group for the classroom.
- A resource for questions.
- Assist and collaborate on class projects that benefit OA Thorp:
 - This includes ability to coordinate/attend project times at the teacher's discretion during the school day.

If you are interested in volunteering as a room parent, please fill out the form online at www.friendsofthorp.org or send an email to friendsofoathorp@gmail.com or return the form at the bottom of this flier in your child's folder by **Friday, September 22nd**:

- Your contact information:
 - Full name
 - Email
 - Phone number
- Child's name
- Child's classroom

Friends of Thorp will create a roster, update the Room Parent's Facebook private group, and email volunteers to start collaboration efforts.

Thank you in advance for your time and volunteerism—it is greatly appreciated and no amount is too small. If you have any questions, feel free to send an email to membershipot@gmail.com.

Sincerely,
The Friends of Thorp
